

## JRG PARTNERS FINANCIAL SERVICES DIVISION

JRG Partners, for decades has evolved to become one of the **Leading Global Financial Services Retained Executive Search Firms**, with our Corporate Headquarters located in Palm Beach Florida. Our primary purpose is to bridge the talent gap by connecting confidential executive level professionals with the right organizations and that next challenging leadership opportunities. Our story is truly unique, in that we are an evolution of two companies that strategically aligned and have merged to create what is now known as JRG Partners Executive Search. One of our founding companies was a cutting-edge B2B Executive Level Full Service Digital Data company which aggregates and compiles professional business data models for all executives, across all industries at the executive and C-Suite Level. The second company was a highly recognized, established Retained Executive Recruitment Firm specializing in the following practice areas: **Financial Services, Private Equity, Venture Capital, Investment Banking, Asset Management, Fintech, Infrastructure, Hedge Funds, Manufacturing, Healthcare, Energy & Agtech, Biotech/Pharma/Medical Device, & In-House Legal Counsel**. Leveraging the power of both entities has given JRG Partners a strategic advantage and strong market position within the executive retained search space that allows for us to continuously strive for excellence and success with our clients.

Our **Data Driven Model** has ensured that our Executive Retained Search Consultants are true subject matter experts within their respective channels and possess first-hand knowledge of the **Financial Services Emerging Markets**. They are also well versed with the challenges that confront professional executive teams in this rapidly evolving **Financial Services Sector**. Our teams are also equipped with the right technological advantages, data points, and tools to help **Transform the Traditional Retained Recruitment Industry Mindsets**.

JRG Partners is strategically aligned with passive, confidential executives globally which gives us a strategic advantage in the successful fulfillment of our client's critical need leadership roles. Therefore, **JRG Partners has an unprecedented passive candidate digital outreach capability that is above all.**

JRG Partners has successfully executed VP/C-Suite executive searches for both Public, Perspective IPOs, Start Ups, and Private Entities. JRG Partner's **Financial Services Retained Search Division** produces high yield critical need executives for growing organizations in a timely manner.

When it comes to retained search, JRG Partners' primary objective is to be your preferred, retained trusted advisor and organizational growth partner.

Always client driven, If you are seeking to hire the best executive retained firm in the marketplace, **JRG Partners represents the pinnacle of Retained Executive Search!**
